

## Stay ahead of inflation.

This Fund invests in asset classes that are collectively resilient to inflation. Fidelity Inflation-Focused Fund is designed to complement traditional portfolios, holding both equity and fixed income inflation-focused assets, for a balanced solution that seeks to weather inflationary market environments.

“Stubbornly elevated inflation remains a concern for central bankers and a risk to the performance of financial assets”

- David Wolf

## Why this Fund?

An optimized balance between various inflation-focused asset classes in a single strategy.

Aims to invest in securities collectively resilient to inflation.

Leverages Fidelity’s trusted approach, including our vast global research network and proprietary research.

## An inflation-focused balanced strategy

Inflation can affect traditional portfolio returns, but investors can look to inflation-focused strategies to help the performance of their overall portfolios during inflationary periods. Fidelity Inflation-Focused Fund invests in asset classes collectively resilient to inflation, including exposure to gold, real estate, natural resources, inflation-linked bonds and more.
