## **Forward-looking information**

This press release contains forward-looking statements with respect to the estimated December 2023 cash distributions for the Fidelity ETFs and Fidelity Funds. By their nature, these forward-looking statements involve risks and uncertainties that could cause the distributions to differ materially from those contemplated by the forward-looking statements. Material factors that could cause the actual distributions to differ from the estimated distributions include, but are not limited to, the actual amounts of distributions received by the Fidelity ETFs and Fidelity Funds, portfolio transactions, currency hedging transactions, and subscription and redemption activity.

## **About Fidelity Investments Canada ULC**

At Fidelity, our mission is to build a better future for Canadian investors and help them stay ahead. We offer investors and institutions a range of innovative and trusted investment portfolios to help them reach their financial and life goals.

As a privately-owned company, our people and world class resources are committed to doing what is right for investors and their long-term success. Our clients have entrusted us with \$215 billion in assets under management (as at December 15, 2023) and they include individuals, financial advisors, pension plans, endowments, foundations and more.

We are proud to provide investors a full range of investment solutions through mutual funds and exchange-traded funds, including domestic, international and global equity, income-oriented strategies, asset allocation solutions, managed portfolios, sustainable investing and our high net worth program. Fidelity Funds are available through a number of advice-based distribution channels including financial planners, investment dealers, banks, and insurance companies.

Read a fund's prospectus and consult your financial advisor before investing. Exchange-traded funds are not guaranteed, their values change frequently, and past performance may not be repeated. Commissions, management fees, brokerage fees and expenses may all be associated with investments in exchange-traded funds and investors and may experience a gain or loss.
