

**Fidelity Investments Canada ULC Announces Estimated 2023 Annual Reinvested Capital Gains Distributions for Fidelity ETFs and ETF Series of Fidelity Mutual Funds**

*TORONTO, December 18, 2023 /CNW/* – Fidelity Investments Canada ULC (“Fidelity”) today announced the estimated 2023 annual reinvested capital gains distributions for Fidelity’s suite of ETFs (“Fidelity ETFs”) and ETF Series units of Fidelity mutual funds (“Fidelity Funds”). *Please note that these are estimated amounts only as of December 18, 2023 and could change if the Fidelity ETFs and Fidelity Funds experience subscriptions or redemptions prior to the ex-dividend date or may change for other unforeseen reasons.*

These estimates are for the annual capital gains distributions only, which will be reinvested, and the resulting units immediately consolidated, so that the number of units held by each investor will not change. These estimates do not include estimates of ongoing periodic cash distribution amounts, which are reported separately.

We expect to announce the annual reinvested distribution amounts on or about December 22, 2023. The ex-dividend date for the 2023 annual distributions will be December 22, 2023. The record date for the 2023 annual distributions will be December 27, 2023 and those distributions will be payable on December 29, 2023.

The actual taxable amounts of reinvested and cash distributions for 2023, including the tax characteristics of the distributions, will be reported to the brokers through CDS Clearing and Depository Services Inc. in early 2024.
