

Fidelity Canada named among LinkedIn Top Companies in Canada

TORONTO, April 16, 2024 - Fidelity Canada (Fidelity) was ranked 22nd on the 2024 LinkedIn Top Companies in Canada list, a ranking of 25 of the best workplaces to grow a career according to their data-driven methodology. This award builds on Fidelity's strong track record of employer recognitions.

"Our people are what make Fidelity such a great place to work, and we're so proud to celebrate this recognition together," said Diana Godfrey (she/her), Senior Vice President, Human Resources and Corporate Affairs, Fidelity.

"We believe that for our clients to thrive and for our business to grow, our people need to thrive. That is why our core focus is constantly listening to our employees and their changing needs, and bringing the best Fidelity has to offer to deliver the best possible employee experience. Whether supporting our employees with a flexible hybrid work program, an inclusive workplace culture, extensive training and development programming, and growth opportunities, we strive to constantly improve Fidelity as an employer in all the areas that matter to our people. This recognition is a testament to our commitment to our people and what they bring to work every day for each other and our clients."

Using LinkedIn data that measures different elements of career progression – including ability to advance, skills growth, company stability, external opportunity, company affinity, gender

diversity, educational background, and employee presence in the country – LinkedIn builds their list highlighting companies that are helping their employees build careers that set them up for long-term success.
